College/University Attending _____

Program Name _____

Attachments

Please attach the following to this application.

1. Proof of enrollment in the final year of a Civil Engineering/Technology/Technician program at an Ontario college, university or equivalent.
2. Official transcript of your marks and progress in your program, including the most current information available.
3. An essay, not exceeding 500 words, describing why you are pursuing a post secondary engineering or engineering technology education and discussing your goals in pursuing a career in civil engineering/technology.
4. Past work experience, including full-time, part-time and summer work, with employer letters of reference. Highlight any experience directly related to the civil construction or broader construction industry, including work at an ORBA member company.
5. Information about activities, special projects or volunteer activities that demonstrate a commitment to your local community, school or charitable organization. Please include testimonial letters.
6. Indicate if you are related to the owner of or employee at an ORBA member company.

APPLICATIONS ARE DUE OCTOBER 31, 2018
